EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Alan W. Young on September 14, 2006.

The application has been amended as follows:

Canceled claims 36-65.

Reasons for Allowance

2. Claims 1-5, 7-16, 18-28, and 30-35 are allowed.
3. The following is an examiner's statement of reasons for allowance:

The closest prior art of record is US Publication No. 2005/0060584 to Ginter et al.

Ginter et al. disclose primary and dependent certificates, wherein the dependent certificates include various limitations. Ginter et al. taken either individual or in combination with other prior art of record fail to teach or suggest the primary and plurality of secondary certificates including unique identifying information and an indication of authority of the holder of the certificate that includes predetermined maximum payment that the holder of the certificate is authorized to validate and an identification of payees for which the certificate holder is authorized to validate payments, and authority defined in each of the secondary digital

certificates being comparatively more limited than an authority defined in the primary digital certificate as recited in independent claims 1, 12 and 24.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

4. The prior art made of record and not relied upon is considered pertinent to applicant's disclosure:

- US Publication No. 2003/0028481 to Flitcroft et al. disclose a credit card system that includes a master credit card holder and a secondary credit card holder. Flitcroft et al. teach a system where a parent can assign a card to his child with pre-set limit transaction amount and list of merchants.
